## C11orf10 DNAxPab

Catalog # H00000746-W01P      Size 200 ug

### Specification

|                         |                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a partial-length human C11orf10 DNA using DNAx™ Immune technology. |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                 |
| Immunogen               | Extracellular membrane domain (ECD) human DNA                                                                |
| Host                    | Rabbit                                                                                                       |
| Reactivity              | Human                                                                                                        |
| Purification            | Protein A                                                                                                    |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                      |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                            |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                     |

### Applications

- Western Blot (Transfected lysate)  
[Protocol Download](#)
- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

### Gene Info — C11orf10

|                     |                                     |
|---------------------|-------------------------------------|
| Entrez GeneID       | <a href="#">746</a>                 |
| GeneBank Accession# | <a href="#">NM_014206.3</a>         |
| Protein Accession#  | <a href="#">NP_055021.1</a>         |
| Gene Name           | C11orf10                            |
| Gene Alias          | -                                   |
| Gene Description    | chromosome 11 open reading frame 10 |
| Gene Ontology       | <a href="#">Hyperlink</a>           |
| Other Designations  | hypothetical protein LOC746         |
