

# ETV5 polyclonal antibody (A01)

Catalog # H00002119-A01

Size 50 uL

## Applications

Western Blot detection against Immunogen (38.21 KDa) .

## Specification

|                                      |                                                                                                                    |
|--------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>           | Mouse polyclonal antibody raised against a partial recombinant ETV5.                                               |
| <b>Immunogen</b>                     | ETV5 (NP_004445, 181 a.a. ~ 290 a.a) partial recombinant protein with GST tag.                                     |
| <b>Sequence</b>                      | LPEPGPQQQTFAVPRPPHQPLQMPKMMMPENQYPSEQRFQRQLSEPCHPFPPQPGVPGDNRPS<br>YHRQMSEPIVPAAPPPQGFKEQYHDPLYEHGVPGMPGPPAHGFGSPM |
| <b>Host</b>                          | Mouse                                                                                                              |
| <b>Reactivity</b>                    | Human                                                                                                              |
| <b>Interspecies Antigen Sequence</b> | Mouse (95); Rat (93)                                                                                               |
| <b>Quality Control Testing</b>       | Antibody Reactive Against Recombinant Protein.<br>Western Blot detection against Immunogen (38.21 KDa) .           |
| <b>Storage Buffer</b>                | 50 % glycerol                                                                                                      |
| <b>Storage Instruction</b>           | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                           |

## Applications

- Western Blot (Recombinant protein)
