

MMP1 (Human) Matched Antibody Pair

Catalog # H00004312-AP51 Size 1 Set

Applications

Sandwich ELISA detection sensitivity ranging from approximately 729x to 3x dilution of the MMP1 293T overexpression lysate (non-denatured).

Specification

Product Description	This antibody pair set comes with a matched antibody pair to detect and quantify the protein level of human MMP1.
Reactivity	Human
Interspecies Antigen Sequence	Mouse (58%); Rat (57%)
Quality Control Testing	Standard curve using MMP1 293T overexpression lysate (non-denatured) as an analyte. Sandwich ELISA detection sensitivity ranging from approximately 729x to 3x dilution of the MMP1 293T overexpression lysate (non-denatured).
Supplied Product	Antibody pair set content: 1. Capture antibody: mouse monoclonal anti-MMP1, IgG2a Kappa (100 ug) 2. Detection antibody: rabbit purified polyclonal anti-MMP1 (50 ug) *Reagents are sufficient for at least 3-5 x 96 well plates using recommended protocols.
Storage Instruction	Store reagents of the antibody pair set at -20°C or lower. Please aliquot to avoid repeated freeze thaw cycle. Reagents should be returned to -20°C storage immediately after use.

Gene Info — MMP1

Entrez GeneID [4312](#)

Gene Name MMP1

Gene Alias CLG, CLGN

Gene Description matrix metalloproteinase 1 (interstitial collagenase)

Omim ID [120353](#) [606963](#)

Gene Ontology [Hyperlink](#)

Gene Summary Proteins of the matrix metalloproteinase (MMP) family are involved in the breakdown of extracellular matrix in normal physiological processes, such as embryonic development, reproduction, and tissue remodeling, as well as in disease processes, such as arthritis and metastasis. Most MMP's are secreted as inactive proproteins which are activated when cleaved by extracellular proteinases. This gene encodes a secreted enzyme which breaks down the interstitial collagens, types I, II, and III. The gene is part of a cluster of MMP genes which localize to chromosome 11q22.3. Alternative splicing results in multiple transcript variants.[provided by RefSeq]

Other Designations fibroblast collagenase|interstitial collagenase|matrix metalloproteinase 1|matrix metalloproteinase 1|matrix metalloproteinase 1 (interstitial collagenase)
