

# PBP polyclonal antibody (A01)

Catalog # H00005037-A01

Size 50 uL

## Applications

Western Blot detection against Immunogen (46.68 KDa) .

## Specification

|                                |                                                                                                                                                                                                   |
|--------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>     | Mouse polyclonal antibody raised against a full-length recombinant PBP.                                                                                                                           |
| <b>Immunogen</b>               | PBP (AAH31102, 1 a.a. ~ 187 a.a) full-length recombinant protein with GST tag.                                                                                                                    |
| <b>Sequence</b>                | MPVDLSKWSGPLSLQEVDQPHPLHVTYAGAAVDELGKVLTPQTQVKNRPTSISWDGLDSGKLY<br>TLVLTDPDAPSRKDPKYREWHHFLVVMKGNDISSGTVLSDYVGSGPPKGTGLHRYVWLVEYQD<br>RPLKCDEPILSNRSGDHRGKFKVASFRKKYELRAPVAGTCYQAEWDDYVPKLYEQLSGK |
| <b>Host</b>                    | Mouse                                                                                                                                                                                             |
| <b>Reactivity</b>              | Human                                                                                                                                                                                             |
| <b>Quality Control Testing</b> | Antibody Reactive Against Recombinant Protein.<br>Western Blot detection against Immunogen (46.68 KDa) .                                                                                          |
| <b>Storage Buffer</b>          | 50 % glycerol                                                                                                                                                                                     |
| <b>Storage Instruction</b>     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                          |

## Applications

- Western Blot (Recombinant protein)

[Protocol Download](#)

- ELISA

## Gene Info — PEBP1

**Entrez GeneID** [5037](#)

**GeneBank Accession#** [BC031102](#)

**Protein Accession#** [AAH31102](#)

**Gene Name** PEBP1

**Gene Alias** HCNP, PBP, PEBP, RKIP

**Gene Description** phosphatidylethanolamine binding protein 1

**Omim ID** [604591](#)

**Gene Ontology** [Hyperlink](#)

**Other Designations** Raf kinase inhibitory protein|prostatic binding protein
