

DNAXPAb

Hard-to-Find  
Antibody

# POU6F1 DNAXPab

Catalog # H00005463-W01P      Size 200 ug

## Specification

|                                |                                                                                                                                                                                                                                                                                                                               |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>     | Rabbit polyclonal antibody raised against a full-length human POU6F1 DNA using DNAX™ Immune technology.                                                                                                                                                                                                                       |
| <b>Technology</b>              | <a href="#">DNAX™ Immune</a>                                                                                                                                                                                                                                                                                                  |
| <b>Immunogen</b>               | Full-length human DNA                                                                                                                                                                                                                                                                                                         |

| <b>Reactivity</b>              | Human                                                                                                                                                                                                                                                                                                                         |
| <b>Purification</b>            | Protein A                                                                                                                                                                                                                                                                                                                     |
| <b>Quality Control Testing</b> | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                       |
| <b>Storage Buffer</b>          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                             |
| <b>Storage Instruction</b>     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                      |

## Applications

- Western Blot (Transfected lysate)  
[Protocol Download](#)
- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — POU6F1
