

# PTX3 (Human) Recombinant Protein (Q01)

Catalog # H00005806-Q01

Size 25 ug, 10 ug

## Applications

## Specification

|                                      |                                                                                                          |
|--------------------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>           | Human PTX3 partial ORF ( NP_002843, 282 a.a. - 380 a.a.) recombinant protein with GST-tag at N-terminal. |
| <b>Sequence</b>                      | SLWVNGELAATTVEMATGHIVPEGGILQIGQEKNCCVGGGFDETLAFSGRLTGFNWDSVLSNE<br>EIRETGGAESCHIRGNIVGWGVTEIQPHGGAQYV    |
| <b>Host</b>                          | Wheat Germ (in vitro)                                                                                    |
| <b>Theoretical MW (kDa)</b>          | 36.63                                                                                                    |
| <b>Interspecies Antigen Sequence</b> | Mouse (85); Rat (87)                                                                                     |
| <b>Preparation Method</b>            | <a href="#">in vitro wheat germ expression system</a>                                                    |
| <b>Purification</b>                  | Glutathione Sepharose 4 Fast Flow                                                                        |
| <b>Quality Control Testing</b>       | 12.5% SDS-PAGE Stained with Coomassie Blue.                                                              |
| <b>Storage Buffer</b>                | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                 |
| <b>Storage Instruction</b>           | Store at -80°C. Aliquot to avoid repeated freezing and thawing.                                          |
| <b>Note</b>                          | Best use within three months from the date of receipt of this protein.                                   |

## Applications

- Enzyme-linked Immunoabsorbent Assay
- Western Blot (Recombinant protein)
- Antibody Production
- Protein Array

## Gene Info — PTX3

|                     |                                                                                                                                                                                                            |
