

MaxPab®

## RAB27B purified MaxPab mouse polyclonal antibody (B02P)

Catalog # H00005874-B02P

Size 50 ug

### Applications

#### Western Blot (Transfected lysate)

Western Blot analysis of RAB27B expression in transfected 293T cell line ([H00005874-T02](#)) by RAB27B MaxPab polyclonal antibody.

Lane 1: RAB27B transfected lysate(23.98 KDa).

Lane 2: Non-transfected lysate.

### Specification

|                         |                                                                                                                                                                                                                                      |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human RAB27B protein.                                                                                                                                                         |
| Immunogen               | RAB27B (ABW03319.1, 1 a.a. ~ 218 a.a) full-length human protein.                                                                                                                                                                     |
