

DNAxPAb

Hard-to-Find  
Antibody

# SNCB DNAxPAb

Catalog # H00006620-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human SNCB DNA using DNAx™ Immune technology.                                        |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                 |
| Immunogen               | Full-length human DNA                                                                                                                        |
| Sequence                | MDVFMKGLSMAKEGVVAAAETKQGVTEAAETKEGVLVVGSKTREGVVQGVASVAEKTKEQ<br>ASHLGGAVFSGAGNIAAATGLVKREEFPTDLKPEEVAQEAAEEPLIEPLMEPEGESYEDPPQEEY<br>QEYEPEA |
| Host                    | Rabbit                                                                                                                                       |
| Reactivity              | Human                                                                                                                                        |
| Purification            | Protein A                                                                                                                                    |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                      |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                            |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                     |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — SNCB

|                     |                                |
|---------------------|--------------------------------|
| Entrez GeneID       | <a href="#">6620</a>           |
| GeneBank Accession# | <a href="#">NM_001001502.1</a> |
| Protein Accession#  | <a href="#">NP_001001502.1</a> |
| Gene Name           | SNCB                           |
| Gene Alias          | -                              |
| Gene Description    | synuclein, beta                |
| Omim ID             | <a href="#">127750 602569</a>  |
| Gene Ontology       | <a href="#">Hyperlink</a>      |
| Other Designations  | beta-synuclein                 |

## Disease
