

DNAPab

Hard-to-Find  
Antibody

# SPAG7 DNAPab

Catalog # H00009552-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                  |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human SPAG7 DNA using DNAX™ Immune technology.                                                                                                                                           |
| Technology              | <a href="#">DNAX™ Immune</a>                                                                                                                                                                                                                     |
| Immunogen               | Full-length human DNA                                                                                                                                                                                                                            |

| Host                    | Rabbit                                                                                                                                                                                                                                           |
| Reactivity              | Human                                                                                                                                                                                                                                            |
| Purification            | Protein A                                                                                                                                                                                                                                        |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                          |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                         |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)
