Antibody

## KIAA0040 DNAXPab

Catalog # H00009674-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human KIAA0040 DNA using DNAX™ Immune technology.                                                         |
| Technology              | <a href="#">DNAX™ Immune</a>                                                                                                                                      |
| Immunogen               | Full-length human DNA                                                                                                                                             |
| Sequence                | MHYVHVHRVTTQPRNKPQTKCPSSGGQSQGPRGQFLDTVLAAMCPIAMLLTADPGMPPTCLWHT<br>PHAKHKEHLSIHLNMVPKCVHMHVTHHTNSGSRVVGKYILLIKWSLAMVYVQGSTLSTVTKMSHG<br>KALPDSDTYIQFPNQQGPHTPSIP |
| Host                    | Rabbit                                                                                                                                                            |
| Reactivity              | Human                                                                                                                                                             |
| Purification            | Protein A                                                                                                                                                         |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                           |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                 |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                          |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — KIAA0040
