

DNAXPab

Hard-to-Find  
Antibody

# VGLL4 DNAXPab

Catalog # H00009686-W01P      Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human VGLL4 DNA using DNAX™ Immune technology.                                                                                                                                                                                                             |
| Technology              | <a href="#">DNAX™ Immune</a>                                                                                                                                                                                                                                                                                       |

| Reactivity              | Human                                                                                                                                                                                                                                                                                                              |
| Purification            | Protein A                                                                                                                                                                                                                                                                                                          |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                            |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                  |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                           |

## Applications

- Western Blot (Transfected lysate)  
[Protocol Download](#)
- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — VGLL4

|                     |                                   |
