

# SDCBP2 monoclonal antibody (M01A), clone 3E8

Catalog # H00027111-M01A

Size 200 uL

## Applications

Western Blot detection against Immunogen (57.86 KDa) .

## Specification

|                                      |                                                                                                                                                                                                                                                                                                                     |
|--------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>           | Mouse monoclonal antibody raised against a full-length recombinant SDCBP2.                                                                                                                                                                                                                                          |
| <b>Immunogen</b>                     | SDCBP2 (AAH02727, 1 a.a. ~ 292 a.a) full-length recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                                                                                                                                                                                                |

| <b>Host</b>                          | Mouse                                                                                                                                                                                                                                                                                                               |
| <b>Reactivity</b>                    | Human                                                                                                                                                                                                                                                                                                               |
| <b>Interspecies Antigen Sequence</b> | Mouse (79); Rat (79)                                                                                                                                                                                                                                                                                                |
| <b>Isotype</b>                       | IgG2b Kappa                                                                                                                                                                                                                                                                                                         |
| <b>Quality Control Testing</b>       | Antibody Reactive Against Recombinant Protein.<br>Western Blot detection against Immunogen (57.86 KDa) .                                                                                                                                                                                                            |
| <b>Storage Buffer</b>                | In ascites fluid                                                                                                                                                                                                                                                                                                    |

## Storage Instruction

Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.

## Applications

- Western Blot (Recombinant protein)

[Protocol Download](#)

- ELISA
