

DNAxPAb

Hard-to-Find  
Antibody

# THG1L DNAxPab

Catalog # H00054974-W01P

Size 200 ug

## Specification

|                                |                                                                                                                                                                                                                                                                                                                       |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>     | Rabbit polyclonal antibody raised against a full-length human THG1L DNA using DNAx™ Immune technology.                                                                                                                                                                                                                |
| <b>Technology</b>              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                                                                                                                                          |
| <b>Immunogen</b>               | Full-length human DNA                                                                                                                                                                                                                                                                                                 |

| <b>Host</b>                    | Rabbit                                                                                                                                                                                                                                                                                                                |
| <b>Reactivity</b>              | Human                                                                                                                                                                                                                                                                                                                 |
| <b>Purification</b>            | Protein A                                                                                                                                                                                                                                                                                                             |
| <b>Quality Control Testing</b> | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                               |
| <b>Storage Buffer</b>          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                     |
| <b>Storage Instruction</b>     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                              |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — THG1L

**Entrez GeneID** [54974](#)**GeneBank Accession#** [BC023521.2](#)**Protein Accession#** [AAH23521.1](#)**Gene Name** THG1L**Gene Alias** FLJ11601, FLJ20546, ICF45**Gene Description** tRNA-histidine guanylyltransferase 1-like (S. cerevisiae)**Gene Ontology** [Hyperlink](#)**Other Designations** interphase cytoplasmic foci protein 45
