

DNAxPAb

Hard-to-Find  
Antibody

# ADAP2 DNAxPab

Catalog # H00055803-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human ADAP2 DNA using DNAx™ Immune technology.                                                                                                                                                                                                                                                                                                     |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                                                                                                                                                                                                                               |
| Immunogen               | Full-length human DNA                                                                                                                                                                                                                                                                                                                                                                                      |

| Host                    | Rabbit                                                                                                                                                                                                                                                                                                                                                                                                     |
| Reactivity              | Human                                                                                                                                                                                                                                                                                                                                                                                                      |
| Purification            | Protein A                                                                                                                                                                                                                                                                                                                                                                                                  |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                                                    |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                                                          |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                                                   |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)

- Flow Cytometry (Transfected cell)

## Gene Info — ADAP2

Entrez GeneID [55803](#)

GeneBank Accession# [NM\\_018404.2](#)

Protein Accession# [NP\\_060874.1](#)

Gene Name ADAP2

Gene Alias CENTA2, HSA272195, cent-b

Gene Description ArfGAP with dual PH domains 2

Omim ID [608635](#)

Gene Ontology [Hyperlink](#)

Gene Summary alpha 2|centaurin-alpha 2 protein

Other Designations centaurin beta|centaurin, alpha 2|centaurin-alpha 2 protein
