

DNAxPAb

Hard-to-Find  
Antibody

# TEX13A DNAxPAb

Catalog # H00056157-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human TEX13A DNA using DNAx™ Immune technology.                                                                                                                                                                                                                                                                                                                                         |

| Reactivity              | Human                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Purification            | Protein A                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                                                                                         |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                                                                                        |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)

- Flow Cytometry (Transfected cell)

## Gene Info — TEX13A

**Entrez GeneID** [56157](#)

**GeneBank Accession#** [NM\\_031274.2](#)

**Protein Accession#** [NP\\_112564.1](#)

**Gene Name** TEX13A

**Gene Alias** MGC131984

**Gene Description** testis expressed 13A

**Omim ID** [300312](#)

**Gene Ontology** [Hyperlink](#)

**Gene Summary** This gene is similar to a mouse gene that is expressed in the testis. [provided by RefSeq]

**Other Designations** testis expressed sequence 13A
