Antibody

## DUSP22 DNAxPAb

Catalog # H00056940-W01P

Size 200 ug

### Specification

|                         |                                                                                                                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human DUSP22 DNA using DNAx™ Immune technology.                                                                                            |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                       |
| Immunogen               | Full-length human DNA                                                                                                                                                                              |
| Sequence                | MGNGMNKILPGLYIGNFKDARDAEQLSKNKVTHILSVHDSARPMLEGVKYLCIPAADSPSQNLTRH<br>FKESIKFIHECRLRGESCLVHCLAGVSRSVTLVIA YIMTVTDFGWEDALHTVRAGRSCANPNVGFQ<br>RQLQFEFEKHEVHQYRQWLKEEYGESPLQDAEEAKNILAAPGILKFWAFLRRL |
| Host                    | Rabbit                                                                                                                                                                                             |
| Reactivity              | Human                                                                                                                                                                                              |
| Purification            | Protein A                                                                                                                                                                                          |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                            |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                  |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                           |

### Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)
