

MaxPab®

# PRTFDC1 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00056952-B01P

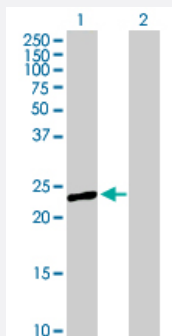

Size 50 ug

## Applications

### Western Blot (Cell lysate)

PRTFDC1 MaxPab polyclonal antibody. Western Blot analysis of PRTFDC1 expression in IMR-32.

### Western Blot (Transfected lysate)

Western Blot analysis of PRTFDC1 expression in transfected 293T cell line ([H00056952-T01](#)) by PRTFDC1 MaxPab polyclonal antibody.

Lane 1: PRTFDC1 transfected lysate(24.75 KDa).

Lane 2: Non-transfected lysate.

## Specification

|                     |                                                                                                                                                                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description | Mouse polyclonal antibody raised against a full-length human PRTFDC1 protein.                                                                                                                                                                |
| Immunogen           | PRTFDC1 (NP_064585.1, 1 a.a. ~ 225 a.a) full-length human protein.                                                                                                                                                                           |

| Host                | Mouse                                                                                                                                                                                                                                        |
| Reactivity          | Human                                                                                                                                                                                                                                        |

|                               |                                                                          |
|-------------------------------|--------------------------------------------------------------------------|
| Interspecies Antigen Sequence | Rat (91)                                                                 |
| Quality Control Testing       | Antibody reactive against mammalian transfected lysate.                  |
| Storage Buffer                | In 1x PBS, pH 7.4                                                        |
| Storage Instruction           | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing. |

## Applications

- Western Blot (Cell lysate)

PRTFDC1 MaxPab polyclonal antibody. Western Blot analysis of PRTFDC1 expression in IMR-32.
