

DNAXPAb

Hard-to-Find  
Antibody

# MTA3 DNAXPab

Catalog # H00057504-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human MTA3 DNA using DNAX™ Immune technology.                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Technology              | <a href="#">DNAX™ Immune</a>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Immunogen               | Full-length human DNA                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

| Purification            | Protein A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — MTA3

Entrez GeneID [57504](#)

GeneBank Accession# [NM\\_020744.2](#)

Protein Accession# [NP\\_065795.1](#)

Gene Name MTA3

Gene Alias KIAA1266

Gene Description metastasis associated 1 family, member 3

Omim ID [609050](#)

Gene Ontology [Hyperlink](#)

Gene Summary O

Other Designations metastasis associated family, member 3|metastasis associated gene family, member 3
