

# C13orf7 (Human) Recombinant Protein (Q01)

Catalog # H00079596-Q01

Size 25 ug, 10 ug

## Applications

## Specification

|                               |                                                                                                          |
|-------------------------------|----------------------------------------------------------------------------------------------------------|
| Product Description           | Human C13orf7 partial ORF ( NP_078822, 1 a.a. - 95 a.a.) recombinant protein with GST-tag at N-terminal. |
| Sequence                      | MLSHTVRKHLRKTRLELLHKEYEDEIDCLQKEVEELKSKNLSLESQIKTILDPLTLVQGNQNEKDHLVTDNPSKINPETVAEWKKKLRTANEIYE          |
| Host                          | Wheat Germ (in vitro)                                                                                    |
| Theoretical MW (kDa)          | 36.19                                                                                                    |
| Interspecies Antigen Sequence | Mouse (87); Rat (87)                                                                                     |
| Preparation Method            | <a href="#">in vitro wheat germ expression system</a>                                                    |
| Purification                  | Glutathione Sepharose 4 Fast Flow                                                                        |
| Quality Control Testing       | 12.5% SDS-PAGE Stained with Coomassie Blue.                                                              |
| Storage Buffer                | 50 mM Tris-HCl, 10 mM reduced Glutathione, pH=8.0 in the elution buffer.                                 |
| Storage Instruction           | Store at -80°C. Aliquot to avoid repeated freezing and thawing.                                          |
| Note                          | Best use within three months from the date of receipt of this protein.                                   |

## Applications

- Enzyme-linked Immunoabsorbent Assay
- Western Blot (Recombinant protein)
- Antibody Production
- Protein Array

## Gene Info — RNF219

|                     |                                                                             |
|---------------------|-----------------------------------------------------------------------------|
| Entrez GeneID       | <a href="#">79596</a>                                                       |
| GeneBank Accession# | <a href="#">NM_024546</a>                                                   |
| Protein Accession#  | <a href="#">NP_078822</a>                                                   |
| Gene Name           | RNF219                                                                      |
| Gene Alias          | C13orf7, DKFZp686A01276, DKFZp686N15250, DKFZp686O03173, FLJ13449, FLJ25774 |
| Gene Description    | ring finger protein 219                                                     |
| Gene Ontology       | <a href="#">Hyperlink</a>                                                   |
| Other Designations  | OTTHUMP00000018536                                                          |
