

MaxPab®

# IGFLR1 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00079713-B01P

Size 500 ug

## Specification

|                               |                                                                                                                                                                                |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description           | Mouse polyclonal antibody raised against a full-length human IGFLR1 protein.                                                                                                   |
| Immunogen                     | IGFLR1 (ENSP00000340719, 1 a.a. ~ 167 a.a) full-length human protein.                                                                                                          |
| Sequence                      | MGPGRCLLTALLLLALAPPPEASQYCGRLEYWNPDKCCSSCLQRFGPPPCPELSSLASQPLS<br>RLLDELEVLEELMLLDPEPGPGGGMAHGTTTRHLAARYGLPAAWSTFAYSLRPSRSPRLALIEMVV<br>AREPSASLGQLGTHLAQLGRADALRVLSKLGSSGVCWA |
| Host                          | Mouse                                                                                                                                                                          |
| Reactivity                    | Human                                                                                                                                                                          |
| Interspecies Antigen Sequence | Mouse (87); Rat (87)                                                                                                                                                           |
| Quality Control Testing       | Antibody reactive against mammalian transfected lysate.                                                                                                                        |
| Storage Buffer                | In 1x PBS, pH 7.4                                                                                                                                                              |
| Storage Instruction           | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                       |

## Applications

- Western Blot (Transfected lysate)
