

MaxPab®

# ZBTB3 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00079842-B01P

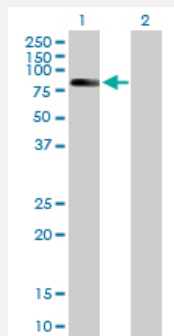

Size 50 ug

## Applications

### Western Blot (Cell lysate)

ZBTB3 MaxPab polyclonal antibody. Western Blot analysis of ZBTB3 expression in K-562.

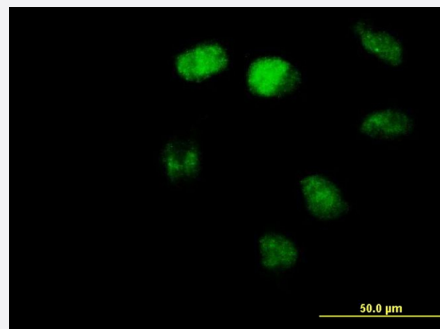

### Western Blot (Transfected lysate)

Western Blot analysis of ZBTB3 expression in transfected 293T cell line ([H00079842-T01](#)) by ZBTB3 MaxPab polyclonal antibody.

Lane 1: ZBTB3 transfected lysate(63.14 KDa).

Lane 2: Non-transfected lysate.

### Immunofluorescence

Immunofluorescence of purified MaxPab antibody to ZBTB3 on HeLa cell. [antibody concentration 10 ug/ml]

## Specification

### Product Description

Mouse polyclonal antibody raised against a full-length human ZBTB3 protein.

|                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
