

DNAxPAb

Hard-to-Find  
Antibody

# ZNF436 DNAxPab

Catalog # H00080818-W01P      Size 200 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human ZNF436 DNA using DNAx™ Immune technology.                                                                                                                                                                                                                                                                                                                                                                                                            |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Immunogen               | Full-length human DNA                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| Purification            | Protein A                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                                                                                                                                                           |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — ZNF436

**Entrez GeneID** [80818](#)

**GeneBank Accession#** [NM\\_030634.1](#)

**Protein Accession#** [NP\\_085137.1](#)

**Gene Name** ZNF436

**Gene Alias** KIAA1710, ZNF, Zfp46

**Gene Description** zinc finger protein 436

**Omim ID** [611703](#)

**Gene Ontology** [Hyperlink](#)

**Other Designations** DNA-binding protein|OTTHUMP00000003264|OTTHUMP00000003266
