

MaxPab®

# UTP23 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00084294-B01P      Size 500 ug

## Specification

|                                      |                                                                                                                                                                                                                                                                    |
|--------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>           | Mouse polyclonal antibody raised against a full-length human UTP23 protein.                                                                                                                                                                                        |
| <b>Immunogen</b>                     | UTP23 (NP_115710.1, 1 a.a. ~ 249 a.a) full-length human protein.                                                                                                                                                                                                   |
| <b>Sequence</b>                      | MKTRQKHAKKHLGFFRNNFGVREPYQILLDGTFCQAALRGRIQLREQLPRYLMGETQLCTTRCVL<br>KELETLGKDLGYAKLIAQKCQVRNCPHFKNNAVSGSECLLSMVEEGNPHHYFVATQDQNLVSVKVK<br>KKPGVPLMFIIQNTMVLDPSPKTIKAVESGQLVSVHEKESIKHLKEEQGLVKNTQSSRRKKR<br>KKISGPNPLSCLKKKKKAPDTQSSASEKRRKRKRIRNRSNPKVLSEKQNAEGE |
| <b>Host</b>                          | Mouse                                                                                                                                                                                                                                                              |
| <b>Reactivity</b>                    | Human                                                                                                                                                                                                                                                              |
| <b>Interspecies Antigen Sequence</b> | Mouse (87); Rat (86)                                                                                                                                                                                                                                               |
| <b>Quality Control Testing</b>       | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                            |
| <b>Storage Buffer</b>                | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                  |
| <b>Storage Instruction</b>           | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                           |

## Applications

- Western Blot (Transfected lysate)
