

MaxPab®

# TRIM51 MaxPab mouse polyclonal antibody (B01P)

Catalog # H00084767-B01P

Size 50 ug

## Applications

### Western Blot (Transfected lysate)

Western Blot analysis of SPRYD5 expression in transfected 293T cell line ([H00084767-T01](#)) by SPRYD5 MaxPab polyclonal antibody.

Lane 1: TRIM51 transfected lysate (32.23 KDa).

Lane 2: Non-transfected lysate.

## Specification

|                         |                                                                                                                                                                                                                                                                                                                     |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human TRIM51 protein.                                                                                                                                                                                                                                        |
| Immunogen               | TRIM51 (NP_116070.1, 1 a.a. ~ 293 a.a) full-length human protein.                                                                                                                                                                                                                                                   |
