## C1orf83 DNAxPab

Catalog # H00127428-W01P

Size 200 ug

### Specification

|                         |                                                                                                                                                                                                                             |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human C1orf83 DNA using DNAx™ Immune technology.                                                                                                                    |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                                                |
| Immunogen               | Full-length human DNA                                                                                                                                                                                                       |

| Host                    | Rabbit                                                                                                                                                                                                                      |
| Reactivity              | Human                                                                                                                                                                                                                       |
| Purification            | Protein A                                                                                                                                                                                                                   |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                     |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                           |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                    |

### Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — C1orf83

**Entrez GeneID** [127428](#)**GeneBank Accession#** [NM\\_153035.1](#)**Protein Accession#** [NP\\_694580.1](#)**Gene Name** C1orf83**Gene Alias** FLJ32112, FLJ39169, RP4-758J24.3**Gene Description** chromosome 1 open reading frame 83**Gene Ontology** [Hyperlink](#)**Other Designations** OTTHUMP00000010104|hypothetical protein LOC127428
