

DNAxPAb

Hard-to-Find  
Antibody

# ARL8A DNAxPab

Catalog # H00127829-W01P

Size 200 ug

## Specification

|                         |                                                                                                                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Rabbit polyclonal antibody raised against a full-length human ARL8A DNA using DNAx™ Immune technology.                                                                                          |
| Technology              | <a href="#">DNAx™ Immune</a>                                                                                                                                                                    |
| Immunogen               | Full-length human DNA                                                                                                                                                                           |

| Host                    | Rabbit                                                                                                                                                                                          |
| Reactivity              | Human                                                                                                                                                                                           |
| Purification            | Protein A                                                                                                                                                                                       |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                         |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                               |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                        |

## Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)

- Immunofluorescence (Transfected cell)
- Flow Cytometry (Transfected cell)

## Gene Info — ARL8A
