

MaxPab®

# FAM131A purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00131408-B01P      Size 500 ug

## Specification

|                                |                                                                                                                                                                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>     | Mouse polyclonal antibody raised against a full-length human FAM131A protein.                                                                                                                                                                                                                                                                                     |
| <b>Immunogen</b>               | FAM131A (NP_653236.2, 1 a.a. ~ 335 a.a) full-length human protein.                                                                                                                                                                                                                                                                                                |

| <b>Host</b>                    | Mouse                                                                                                                                                                                                                                                                                                                                                             |
| <b>Reactivity</b>              | Human                                                                                                                                                                                                                                                                                                                                                             |
| <b>Quality Control Testing</b> | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                           |
| <b>Storage Buffer</b>          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                 |
| <b>Storage Instruction</b>     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                          |

## Applications

- Western Blot (Transfected lysate)
