## FBXL16 rabbit monoclonal antibody

Catalog # H00146330-K

Size 100 ug x up to 3

## Specification **Product Description** Rabbit monoclonal antibody raised against a human FBXL16 peptide using ARM Technology. Immunogen A synthetic peptide of human FBXL16 is used for rabbit immunization. Customer or Abnova will decide on the preferred peptide sequence. Host Rabbit Library Construction Non-fusion antibody library from rabbit spleen (ARM Technology). Expression Overexpression vector and transfection into 293H cell line. Reactivity Human **Purification** Protein A lsotype lgG **Quality Control Testing** Antibody reactive against human FBXL16 peptide by ELISA and mammalian transfected lysate by Western Blot. **Storage Buffer** In 1x PBS, pH 7.4 **Storage Instruction** Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing. Deliverable Up to three rabbit IgG clones of 100 ug each will be delivered to customer. Note 1. Customer may provide cell or tissue lysate for antibody screening. 2. Rabbit monoclonal antibody generated by ARM technology is amenable to antibody engineering in cluding F(ab)<sub>2</sub>, IgG, scFv and different Fc and non-Fc conjugates per customer request.

## Applications

Western Blot (Transfected lysate)

Protocol Download

• ELISA

## Gene Info — FBXL16

Entrez GenelD	<u>146330</u>
GeneBank Accession#	FBXL16
Gene Name	FBXL16
Gene Alias	C16orf22, FLJ33735, Fbl16, MGC33974, c380A1.1
Gene Description	F-box and leucine-rich repeat protein 16
Omim ID	<u>609082</u>
Gene Ontology	Hyperlink
Gene Summary	Members of the F-box protein family, such as FBXL16, are characterized by an approximately 40- amino acid F-box motif. SCF complexes, formed by SKP1 (MIM 601434), cullin (see CUL1; MIM 603134), and F-box proteins, act as protein-ubiquitin ligases. F-box proteins interact with SKP1 t hrough the F box, and they interact with ubiquitination targets through other protein interaction do mains (Jin et al., 2004 [PubMed 15520277]).[supplied by OMIM
Other Designations	OTTHUMP00000115487 c380A1.1 (novel protein)
