

MaxPab®

# HORMAD2 MaxPab mouse polyclonal antibody (B01P)

Catalog # H00150280-B01P

Size 50 ug

## Applications

### Western Blot (Transfected lysate)

Western Blot analysis of HORMAD2 expression in transfected 293T cell line ([H00150280-T01](#)) by HORMAD2 MaxPab polyclonal antibody.

Lane 1: HORMAD2 transfected lysate(33.77 KDa).

Lane 2: Non-transfected lysate.

## Specification

|                         |                                                                                                                                                                                                                                                                                                                                |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human HORMAD2 protein.                                                                                                                                                                                                                                                  |
| Immunogen               | HORMAD2 (NP_689723.1, 1 a.a. ~ 307 a.a) full-length human protein.                                                                                                                                                                                                                                                             |
