

MaxPab®

# RASGEF1B purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00153020-B01P

Size 50 ug

## Applications

### Western Blot (Transfected lysate)

Western Blot analysis of RASGEF1B expression in transfected 293T cell line ([H00153020-T02](#)) by RASGEF1B MaxPab polyclonal antibody.

Lane 1: RASGEF1B transfected lysate(23.1 KDa).

Lane 2: Non-transfected lysate.

## Specification

|                         |                                                                                                                                                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human RASGEF1B protein.                                                                                                                                       |
| Immunogen               | RASGEF1B (AAH36784.1, 1 a.a. ~ 210 a.a) full-length human protein.                                                                                                                                                   |
