

# STK32A monoclonal antibody (M04), clone 3B3

Catalog # H00202374-M04

Size 100 ug

## Specification

|                         |                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse monoclonal antibody raised against a partial recombinant STK32A.                                            |
| Immunogen               | STK32A (AAH21666, 67 a.a. ~ 166 a.a) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa. |
| Sequence                | NVFKELQIMQGLEHPFLVNLWYSFQDEEDMFMVVDLLGGDLRYHLQQNVHFKEETVKLFICELV<br>MALDYLNQRIIHRDMKPDNILLDEHDTWLSYKSH            |
| Host                    | Mouse                                                                                                             |
| Reactivity              | Human                                                                                                             |
| Isotype                 | IgG2a Kappa                                                                                                       |
| Quality Control Testing | Antibody Reactive Against Recombinant Protein.                                                                    |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                 |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                          |

## Applications

- ELISA

## Gene Info — STK32A

|                     |                          |
