

MaxPab®

# LOC222701 MaxPab mouse polyclonal antibody (B01P)

Catalog # H00222701-B01P

Size 50 ug

## Applications

### Western Blot (Transfected lysate)

Western Blot analysis of LOC222701 expression in transfected 293T cell line ([H00222701-T01](#)) by LOC222701 MaxPab polyclonal antibody.

Lane 1: LOC222701 transfected lysate(29.59 KDa).

Lane 2: Non-transfected lysate.

## Specification

|                         |                                                                                                                                                                                                                                                                                              |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human LOC222701 protein.                                                                                                                                                                                                              |
| Immunogen               | LOC222701 (XP_945526.1, 1 a.a. ~ 269 a.a) full-length human protein.                                                                                                                                                                                                                         |
