

MaxPab®

# TTLL6 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00284076-B01P

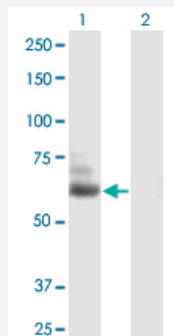

Size 50 ug

## Applications

### Western Blot (Tissue lysate)

TTLL6 MaxPab polyclonal antibody. Western Blot analysis of TTLL6 expression in human colon.

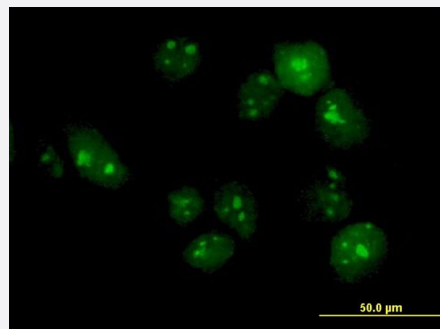

### Western Blot (Transfected lysate)

Western Blot analysis of TTLL6 expression in transfected 293T cell line ([H00284076-T01](#)) by TTLL6 MaxPab polyclonal antibody.

Lane 1: TTLL6 transfected lysate(62.59 KDa).

Lane 2: Non-transfected lysate.

### Immunofluorescence

Immunofluorescence of purified MaxPab antibody to TTLL6 on HeLa cell. [antibody concentration 10 ug/ml]

## Specification

### Product Description

Mouse polyclonal antibody raised against a full-length human TTLL6 protein.

|                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

| <b>Quality Control Testing</b> | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| <b>Storage Buffer</b>          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Storage Instruction</b>     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

## Applications

- Western Blot (Tissue lysate)

TTLL6 MaxPab polyclonal antibody. Western Blot analysis of TTLL6 expression in human colon.

[Protocol Download](#)

- Western Blot (Transfected lysate)

Western Blot analysis of TTLL6 expression in transfected 293T cell line ([H00284076-T01](#)) by TTLL6 MaxPab polyclonal antibody.

Lane 1: TTLL6 transfected lysate(62.59 KDa).

Lane 2: Non-transfected lysate.

[Protocol Download](#)

- Immunofluorescence

Immunofluorescence of purified MaxPab antibody to TTLL6 on HeLa cell. [antibody concentration 10 ug/ml]
