

MaxPab®

## C19orf75 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00284369-B01P

Size 500 ug

### Specification

|                         |                                                                                                                                                                                                     |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human C19orf75 protein.                                                                                                                      |
| Immunogen               | C19orf75 (ADR82847.1, 1 a.a. ~ 197 a.a) full-length human protein.                                                                                                                                  |
| Sequence                | MLPLLQLVPAKLLNSSCSLEKTLQCSCSFHGIPSPVQWWMGVPGVDGMDGSLQVTSTMLG<br>PWANSTISLTEEPGMRLLCGKNQNGTHALSILLMSRKSSLAAQAFVKGLIQGAIYAGVIALFL<br>CLLPLVKHIRKKQAKKAAAIRAKKSSKVRASQELEMSLKPEEPGKPVVATFSESRIEKQDKRAS |
| Host                    | Mouse                                                                                                                                                                                               |
| Reactivity              | Human                                                                                                                                                                                               |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                             |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                   |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                            |

### Applications

- Western Blot (Transfected lysate)

[Protocol Download](#)
