

MaxPab®

# PRR18 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00285800-B01P      Size 500 ug

## Specification

|                         |                                                                                                                                                                                                                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description     | Mouse polyclonal antibody raised against a full-length human PRR18 protein.                                                                                                                                                                                                                                        |
| Immunogen               | PRR18 (AAH34775.1, 1 a.a. ~ 295 a.a) full-length human protein.                                                                                                                                                                                                                                                    |

| Host                    | Mouse                                                                                                                                                                                                                                                                                                              |
| Reactivity              | Human                                                                                                                                                                                                                                                                                                              |
| Quality Control Testing | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                                                                                            |
| Storage Buffer          | In 1x PBS, pH 7.4                                                                                                                                                                                                                                                                                                  |
| Storage Instruction     | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                                                                                           |

## Applications

- Western Blot (Transfected lysate)
