

MaxPab®

## PDDC1 purified MaxPab mouse polyclonal antibody (B01P)

Catalog # H00347862-B01P      Size 500 ug

### Specification

|                                      |                                                                                                                                                                                                                                          |
|--------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b>           | Mouse polyclonal antibody raised against a full-length human PDDC1 protein.                                                                                                                                                              |
| <b>Immunogen</b>                     | PDDC1 (NP_872418.1, 1 a.a. ~ 220 a.a) full-length human protein.                                                                                                                                                                         |
| <b>Sequence</b>                      | MASERLPNRPACLLVASGAAEGVSAQSFLHCFTMASTAFNLQVATPGGKAMEFVDVTESNARW<br>VQDFRLKAYASPAKLESIDGARYHALLIPSCPGALTDLASSGSLARILQHFHSESKPICAVGHGVA<br>ALCCATNEDRSWVFDSYSLTGPSVCELVRAPGFARLPLVVEDFVKDSGACFSASEPDAVHVVL<br>DRHLVTGQNASSTVPAVQNLLFLCGSRK |
| <b>Host</b>                          | Mouse                                                                                                                                                                                                                                    |
| <b>Reactivity</b>                    | Human                                                                                                                                                                                                                                    |
| <b>Interspecies Antigen Sequence</b> | Mouse (93); Rat (92)                                                                                                                                                                                                                     |
| <b>Quality Control Testing</b>       | Antibody reactive against mammalian transfected lysate.                                                                                                                                                                                  |
| <b>Storage Buffer</b>                | In 1x PBS, pH 7.4                                                                                                                                                                                                                        |
| <b>Storage Instruction</b>           | Store at -20°C or lower. Aliquot to avoid repeated freezing and thawing.                                                                                                                                                                 |

### Applications

- Western Blot (Transfected lysate)
