

F7 (Human) ELISA Kit

Catalog # KA1837 Size 1 Kit

Applications

The standard curve is for the purpose of illustration only and should not be used to calculate unknowns. A standard curve should be generated each time the assay is performed.

Specification

Product Description	F7 (Human) ELISA Kit is a sandwich enzyme immunoassay for the quantitative measurement of human F7.
Suitable Sample	Cell Culture Supernatant, Plasma, Serum
Sample Volume	50 μ L
Label	Peroxidase-conjugated
Detection Method	Colorimetric
Assay Type	Quantitative
Calibration Range	0.352 to 90 ng/mL
Reactivity	Human
Regulation Status	For research use only (RUO)
Quality Control Testing	Standard Curve The standard curve is for the purpose of illustration only and should not be used to calculate unknowns. A standard curve should be generated each time the assay is performed.
Storage Instruction	Store components of the kit at 4°C or -20°C as described in the protocol.

Applications

- Quantification

Gene Info — F7

Entrez GeneID [2155](#)

Gene Name F7

Gene Alias -

Gene Description coagulation factor VII (serum prothrombin conversion accelerator)

Omim ID [227500](#)

Gene Ontology [Hyperlink](#)

Gene Summary This gene encodes coagulation factor VII which is a vitamin K-dependent factor essential for hemostasis. This factor circulates in the blood in a zymogen form, and is converted to an active form by either factor IXa, factor Xa, factor XIIa, or thrombin by minor proteolysis. Upon activation of the factor VII, a heavy chain containing a catalytic domain and a light chain containing 2 EGF-like domains are generated, and two chains are held together by a disulfide bond. In the presence of factor II and calcium ions, the activated factor then further activates the coagulation cascade by converting factor IX to factor IXa and/or factor X to factor Xa. Alternative splicing of this gene results in 2 transcripts. Defects in this gene can cause coagulopathy. [provided by RefSeq]

Other Designations FVII coagulation protein|OTTHUMP00000018733|OTTHUMP00000018734|coagulation factor VII|eptacog alfa
