

# LGALS3 (Human) ELISA Kit

Catalog # KA3358      Size 1 Kit

## Applications

The standard curve is for the purpose of demonstration only and should not be used to calculate unknowns. A standard curve should be generated each time the assay is performed.

## Specification

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b> | LGALS3 (Human) ELISA Kit is a sandwich enzyme immunoassay for the quantitative measurement of human LGALS3. |
| <b>Suitable Sample</b>     | Cell Culture Supernatant, Cell Lysates, Plasma (EDTA, Heparin), Serum                                       |
| <b>Sample Volume</b>       | 100 uL                                                                                                      |
| <b>Label</b>               | HRP-conjugated                                                                                              |
| <b>Detection Method</b>    | Colorimetric                                                                                                |
| <b>Assay Type</b>          | Quantitative                                                                                                |
| <b>Calibration Range</b>   | 156 to 10000 pg/mL                                                                                          |
| <b>Reactivity</b>          | Human                                                                                                       |
| <b>Regulation Status</b>   | For research use only (RUO)                                                                                 |
| <b>Storage Instruction</b> | Store at 4°C for 6 months, at -20°C for 12 months. Avoid multiple freeze-thaw cycles.                       |

## Applications

- Quantification

## Gene Info — LGALS3

|                    |                                                                                                                                                     |
