

F10 monoclonal antibody

Catalog # MAB0286 Size 100 ug

Specification

Product Description	Rat monoclonal antibody raised against native F10.
Immunogen	Native purified Mouse F10.
Host	Rat
Reactivity	Mouse
Specificity	This antibody recognizes mouse factor X.
Form	Liquid
Isotype	IgG
Recommend Usage	Western Blot (5 ug/mL) The optimal working dilution should be determined by the end user.
Storage Buffer	In PBS (50% glycerol)
Storage Instruction	Store at -20°C. Aliquot to avoid repeated freezing and thawing.

Applications

- Western Blot
- Enzyme-linked Immunoabsorbent Assay

Gene Info — F10

Entrez GeneID	14058
Gene Name	F10

Gene Alias	Cf10, fX
Gene Description	coagulation factor X
Gene Ontology	Hyperlink
Other Designations	OTTMUSP00000022499 OTTMUSP00000022500
