

Varicella zoster virus IE62 monoclonal antibody, clone VA036

Catalog # MAB13665 Size 100 ug

Specification

Product Description	Mouse monoclonal antibody raised against varicella zoster virus (VZV) IE62.
----------------------------	---

Host	Mouse
-------------	-------

Reactivity	Human herpesvirus (HHV)
-------------------	-------------------------

Specificity	This antibody reacts with IE62 of varicella zoster virus (VZV).
--------------------	---

Form	Liquid
-------------	--------

Purity	>95%
---------------	------

Isotype	IgG1, kappa
----------------	-------------

Recommend Usage	Immunofluorescence The optimal working dilution should be determined by the end user.
------------------------	--

Storage Buffer	In PBS, pH 7.4.
-----------------------	-----------------

Storage Instruction	Store at 4°C. For long term storage store at -20°C. Aliquot to avoid repeated freezing and thawing.
----------------------------	--

Applications

- Immunofluorescence
