## African Swine Fever Virus pp62 monoclonal antibody, clone HM1080

Catalog # MAB22948 Size 1 mg

| Specification       |   |
|---------------------|---|
| Product Description | Mouse monoclonal antibody raised against African Swine Fever Virus (ASFV) pp62.   |
| Immunogen           | Recombinant protein corresponding to African Swine Fever virus pp62, strain BA71V.                                      |
| Host                | Mouse   |
| Reactivity          | African swine fever virus (ASFV)  |
| Specificity         | ASFV pp62 protein.  |
| Form                | Liquid  |
| Purification        | lon exchange purification   |
| Purity              | > 90% by SDS-PAGE.  |
| lsotype             | lgG2b   |
| Recommend Usage     | ELISA<br>Lateral-Flow Immunochromatographic Assay<br>The optimal working dilution should be determined by the end user. |
| Matched Pair        | MAB22949 (capture)  |
| Storage Buffer      | In 0.015 M potassium phosphate buffer, 0.85% sodium chloride, pH 7.2 (0.05% sodium azide).                              |
| Storage Instruction | Store at 4°C for short term. For long term storage, store at -20°C.<br>Aliquot to avoid repeated freezing and thawing.  |
| Note                | This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which shoul d be handled by trained staff only. |

## Applications

😵 Abnova

- Enzyme-linked Immunoabsorbent Assay
- Lateral-Flow Immunochromatographic Assay
