

ABCC1 monoclonal antibody, clone QCRL-3

Catalog # MAB5157

Size

Specification

Product Description	Mouse monoclonal antibody raised against recombinant ABCC1.
Immunogen	Recombinant protein corresponding to amino acids 617-932 of ABCC1.
Host	Mouse
Reactivity	Human
Specificity	QCRL-3 reacts with a conformation-dependent internal epitope of MRP1. It does not cross-react with human MDR1 and MDR3 gene products nor with murine MRP1. Cross reacts with monkey, but does not cross react with mouse or rat.
Form	Liquid
Isotype	IgG2a
Recommend Usage	Flow Cytometry (1:20-1:50) The optimal working dilution should be determined by the end user.
Storage Instruction	Store at 4°C. For long term storage store at -20°C. Aliquot to avoid repeated freezing and thawing.

Applications

- Immunocytochemistry
- Immunoprecipitation
- Flow Cytometry

Gene Info — ABCC1

Entrez GeneID	4363
Gene Name	ABCC1
Gene Alias	ABC29, ABCC, DKFZp686N04233, DKFZp781G125, GS-X, MRP, MRP1
Gene Description	ATP-binding cassette, sub-family C (CFTR/MRP), member 1
Omim ID	158343
Gene Ontology	Hyperlink
Gene Summary	The protein encoded by this gene is a member of the superfamily of ATP-binding cassette (ABC) transporters. ABC proteins transport various molecules across extra-and intra-cellular membranes. ABC genes are divided into seven distinct subfamilies (ABC1, MDR/TAP, MRP, ALD, OABP, GCN20, White). This full transporter is a member of the MRP subfamily which is involved in multi-drug resistance. This protein functions as a multispecific organic anion transporter, with oxidized glutathione, cysteinyl leukotrienes, and activated aflatoxin B1 as substrates. This protein also transports glucuronides and sulfate conjugates of steroid hormones and bile salts. Alternative splicing by exon deletion results in several splice variants but maintains the original open reading frame in all forms. [provided by RefSeq]
Other Designations	ATP-binding cassette, sub-family C, member 1 LTC4 transporter OTTHUMP00000045904 leukotriene C(4) transporter multidrug resistance protein multiple drug resistance protein 1 multiple drug resistance-associated protein
