PSA (Total) monoclonal antibody, clone B732M

Catalog # MAB6733 Size 1 mg

Applications

Enzyme-linked Immunoabsorbent Assay

Suitable for use in ELISA. Each laboratory should determine an optimum working titer for use in its particular application.

Specification	
Product Description	Mouse monoclonal antibody raised against PSA (free).
Immunogen	Purified PSA.
Host	Mouse
Reactivity	Human
Specificity	Prostate Specific Antigen (PSA) Total
Form	Liquid
Isotype	lgG2b, kappa
Recommend Usage	The optimal working dilution should be determined by the end user.
Storage Buffer	In PBS, pH 7.4 (0.05% sodium azide)
Storage Instruction	Store at 4°C. For long term storage store at-20°C. Aliquot to avoid repeated freezing and thawing.
Note	This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which shoul d be handled by trained staff only.

Applications

• Enzyme-linked Immunoabsorbent Assay

Suitable for use in ELISA. Each laboratory should determine an optimum working titer for use in its particular application.

Gene Info — KLK3

Entrez GenelD	<u>354</u>
Gene Name	KLK3
Gene Alias	APS, KLK2A1, PSA, hK3
Gene Description	kallikrein-related peptidase 3
Omim ID	<u>176820</u>
Gene Ontology	Hyperlink
Gene Summary	Kallikreins are a subgroup of serine proteases having diverse physiological functions. Growing ev idence suggests that many kallikreins are implicated in carcinogenesis and some have potential as novel cancer and other disease biomarkers. This gene is one of the fifteen kallikrein subfamily members located in a cluster on chromosome 19. Its protein product is a protease present in sem inal plasma. It is thought to function normally in the liquefaction of seminal coagulum, presumably b y hydrolysis of the high molecular mass seminal vesicle protein. Serum level of this protein, called PSA in the clinical setting, is useful in the diagnosis and monitoring of prostatic carcinoma. Altern ate splicing of this gene generates several transcript variants encoding different isoforms. [provid ed by RefSeq
Other Designations	P-30 antigen gamma-seminoprotein kallikrein 3, (prostate specific antigen) prostate specific antig en semenogelase seminin
