

SLA (haploid sperm cell-specific antigen) monoclonal antibody, clone TRA54

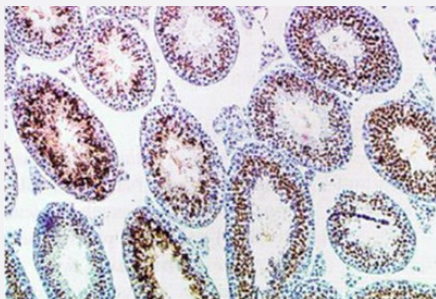

Catalog # MAB7952 Size 100 ug

Applications

Western Blot (Tissue lysate)

Western blot analysis of various mouse tissues with SLA (haploid sperm cell-specific antigen) monoclonal antibody, clone TRA54 (Cat # MAB7952).

Immunohistochemistry

Immunohistochemical staining of mouse testis with SLA (haploid sperm cell-specific antigen) monoclonal antibody, clone TRA54 (Cat # MAB7952).

Specification

Product Description	Rat monoclonal antibody raised against SLA (haploid sperm cell-specific antigen).
Immunogen	The hybridoma producing TRA54 was obtained from the immunization of a rat with cell lysates of adult mouse testis.
Host	Rat
Reactivity	Mouse

Form	Liquid
Isotype	IgM
Recommend Usage	Immunohistochemistry Western Blot (~1 ug/mL) The optimal working dilution should be determined by the end user.
Storage Buffer	In PBS (50% glycerol)
Storage Instruction	Store at -20°C. Aliquot to avoid repeated freezing and thawing.

Applications

- Western Blot (Tissue lysate)

Western blot analysis of various mouse tissues with SLA (haploid sperm cell-specific antigen) monoclonal antibody, clone TRA54 (Cat # MAB7952).

- Immunohistochemistry

Immunohistochemical staining of mouse testis with SLA (haploid sperm cell-specific antigen) monoclonal antibody, clone TRA54 (Cat # MAB7952).
