

Plg polyclonal antibody

Catalog # PAB0686

Size 1 mg

Specification

Product Description	Sheep polyclonal antibody raised against native Plg.
Immunogen	Native purified Mouse Plg.
Host	Sheep
Reactivity	Mouse
Specificity	This antibody recognizes mouse plasminogen.
Form	Liquid
Recommend Usage	Western Blot (25 ug/mL) The optimal working dilution should be determined by the end user.
Storage Buffer	In PBS (50% glycerol)
Storage Instruction	Store at -20°C. Aliquot to avoid repeated freezing and thawing.

Applications

- Western Blot
- Enzyme-linked Immunoabsorbent Assay

Gene Info — Plg

Entrez GeneID	18815
Gene Name	Plg
Gene Alias	A1649309, Pg

Gene Description

plasminogen
