

Protein Kinase Consensus Sequence polyclonal antibody

Catalog # PAB13649

Size

Specification

Product Description	Rabbit polyclonal antibody raised against synthetic peptide of Protein Kinase Consensus Sequence.
Immunogen	A synthetic peptide corresponding to Protein Kinase Consensus Sequence.
Sequence	GTPEYLAPE
Host	Rabbit
Specificity	It is excellent for Western blot detection of protein kinases containing this sequence.
Form	Liquid
Recommend Usage	Western Blot (1:50) The optimal working dilution should be determined by the end user.
Storage Buffer	In PBS
Storage Instruction	Store at -20°C. For long term storage store at -80°C. Aliquot to avoid repeated freezing and thawing.

Applications

- Western Blot

Publication Reference
