

# CXorf15 polyclonal antibody

Catalog # PAB19964      Size 100 uL

## Applications

### Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)

Immunohistochemical staining of human placenta with CXorf15 polyclonal antibody (Cat # PAB19964) shows cytoplasmic positivity in trophoblastic cells at 1:1000-1:2500 dilution.

## Specification

|                     |                                                                                                                          |
|---------------------|--------------------------------------------------------------------------------------------------------------------------|
| Product Description | Rabbit polyclonal antibody raised against recombinant CXorf15.                                                           |
| Immunogen           | Recombinant protein corresponding to amino acids 408-522 of human CXorf15.                                               |

| Host                | Rabbit                                                                                                                   |
| Reactivity          | Human                                                                                                                    |
| Form                | Liquid                                                                                                                   |
| Purification        | Antigen affinity purification                                                                                            |
| Isotype             | IgG                                                                                                                      |
| Recommend Usage     | Immunohistochemistry (1:1000-1:2500)<br>The optimal working dilution should be determined by the end user.               |
| Storage Buffer      | In PBS, pH 7.2 (40% glycerol, 0.02% sodium azide)                                                                        |

**Storage Instruction**

Store at 4°C. For long term storage store at -20°C.  
Aliquot to avoid repeated freezing and thawing.

**Note**

This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

## Applications

- Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)

Immunohistochemical staining of human placenta with CXorf15 polyclonal antibody (Cat # PAB19964) shows cytoplasmic positivity in trophoblastic cells at 1:1000-1:2500 dilution.
