

# ESRRG polyclonal antibody

Catalog # PAB27789

Size 50 ug

## Applications

### Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)

Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) of human breast cancer tissue with ESRRG polyclonal antibody (Cat # PAB27789). Immunohistochemistry of formalin-fixed, paraffin-embedded tissue after heat-induced antigen retrieval.

## Specification

|                            |                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Product Description</b> | Rabbit polyclonal antibody raised against synthetic peptide of ESRRG.                                                                                    |
| <b>Immunogen</b>           | A synthetic peptide corresponding to 16 amino acid at N-terminus of human ESRRG.                                                                         |
| <b>Host</b>                | Rabbit                                                                                                                                                   |
| <b>Reactivity</b>          | Bovine, Chicken, Dog, Hamster, Horse, Human, Monkey, Mouse, Rabbit, Rat, Zebra fish                                                                      |
| <b>Specificity</b>         | BLAST analysis of the peptide immunogen showed no homology with other human proteins.                                                                    |
| <b>Form</b>                | Liquid                                                                                                                                                   |
| <b>Purification</b>        | Immunoaffinity chromatography                                                                                                                            |
| <b>Recommend Usage</b>     | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (34-68 ug/mL)<br>The optimal working dilution should be determined by the end user. |
| <b>Storage Buffer</b>      | In PBS (0.09% sodium azide)                                                                                                                              |
| <b>Storage Instruction</b> | Store at 4°C. For long term storage store at -80°C.<br>Aliquot to avoid repeated freezing and thawing.                                                   |

**Note**

This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

## Applications

- Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)

Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) of human breast cancer tissue with ESRRG polyclonal antibody (Cat # PAB27789). Immunohistochemistry of formalin-fixed, paraffin-embedded tissue after heat-induced antigen retrieval.
