

# RIF1 polyclonal antibody

Catalog # PAB31579      Size 100 uL

## Applications

### Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)

Immunohistochemical staining (Formalin-fixed paraffin-embedded sections) of human testis with RIF1 polyclonal antibody (Cat # PAB31579) shows strong nuclear positivity.

## Specification

|                     |                                                                                                                                                           |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description | Rabbit polyclonal antibody raised against partial recombinant human RIF1.                                                                                 |
| Immunogen           | Recombinant protein corresponding to human RIF1.                                                                                                          |
| Sequence            | FLPKAKQREGTFSKSDSEKIVNGTKRSSRRAGKAEQTGNKRSKPLMRSEPEKNTESVEGIVL<br>ENNPPGLLNQTECVSDNQVHLSESTMEHD                                                           |
| Host                | Rabbit                                                                                                                                                    |
| Reactivity          | Human                                                                                                                                                     |
| Form                | Liquid                                                                                                                                                    |
| Purification        | Antigen affinity purification                                                                                                                             |
| Isotype             | IgG                                                                                                                                                       |
| Recommend Usage     | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (1:500-1:1000)<br>The optimal working dilution should be determined by the end user. |
| Storage Buffer      | In PBS, pH 7.2 (40% glycerol, 0.02% sodium azide).                                                                                                        |

**Storage Instruction**

Store at 4°C. For long term storage store at -20°C.  
Aliquot to avoid repeated freezing and thawing.

**Note**

This product contains sodium azide: a POISONOUS AND HAZARDOUS SUBSTANCE which should be handled by trained staff only.

## Applications

- Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections)

Immunohistochemical staining (Formalin-fixed paraffin-embedded sections) of human testis with RIF1 polyclonal antibody (Cat # PAB31579) shows strong nuclear positivity.

## Gene Info — RIF1

**Entrez GeneID** [55183](#)

**Protein Accession#** [Q5UIP0](#)

**Gene Name** RIF1

**Gene Alias** DKFZp434D1026, DKFZp781N1478, FLJ12870

**Gene Description** RAP1 interacting factor homolog (yeast)

**Omim ID** [608952](#)

**Gene Ontology** [Hyperlink](#)

**Other Designations** OTTHUMP00000162712|RAP1 interacting factor 1|Rap1 interacting factor 1
