

RecomAb™

## Fluorescein recombinant Fab fragment

Catalog # RAB00058      Size 200 ug

### Specification

<b>Product Description</b>	His-tagged human recombinant Fab fragment raised against Fluorescein.
----------------------------	---

<b>Antibody Species</b>	Human
-------------------------	-------

<b>Original clone</b>	4-4-20 (enhanced)
-----------------------	-------------------

<b>Immunogen</b>	Original antibody is raised against Fluorescein I-bovine serum albumin.
------------------	---

<b>Specificity</b>	This Fab fragment binds to the Fluorescein labelled proteins.
--------------------	---

<b>Form</b>	Liquid
-------------	--------

<b>Purification</b>	Immobilized Metal Affinity Chromatography
---------------------	---

<b>Isotype</b>	Human Fab fragment, His-tagged, kappa
----------------	---------------------------------------

<b>Recommend Usage</b>	Flow Cytometry (1 ug/mL) Negative control Western Blot (1 ug/mL) The optimal working dilution should be determined by the end user.
------------------------	--

<b>Storage Buffer</b>	In PBS, pH 7.2 (0.02% Proclin 300)
-----------------------	------------------------------------

<b>Storage Instruction</b>	Store at 4°C for up to 3 months. For long term storage store at -20°C. Aliquot to avoid repeated freezing and thawing.
----------------------------	---

### Applications

- Western Blot
- Flow Cytometry
